

## **2025 – CLASS A MEMBERSHIP DRIVE**

Attached please find a copy of our membership application and dues schedule for the 2025 Class A Membership Drive. Individuals age 31 and older qualify for a reduced dues rate of \$2,040 for their first 12-month membership. Club Cart Fees are waived during this one-year promotion as well as the monthly food/beverage minimum fee, with no voting privileges.

Class A Junior member dues are calculated on the age of the oldest in 2025 with the selection of a cart program and monthly food/beverage minimum being required.

Simply complete the application, sign, date and return for submission to our Board of Directors for approval. If you do not have a club member sponsor, a personal reference is acceptable. You can scan the signed application and email ([kimmykay2000@yahoo.com](mailto:kimmykay2000@yahoo.com)) it back to me or it may be dropped off at the CCC Pro-Shop or Office for further processing.

If you own a golf cart and would like to store it at the club, there is a cart storage fee of \$45/month. Please contact our Pro Shop, to check on availability and space assignment.

If you choose not to play golf, our Social Membership might be of interest to you for an annual cost of \$660, due with your application.

The Charleston Country Club is a wonderful place to enjoy lunch, dinner, golf, swimming, or roasting marshmallows / hot dogs over the newly designed outdoor living space. We have an awesome membership, and our course is one of the best in Central Illinois. We installed a new swimming pool in June of 2021, complete with a diving board and splash pad for younger members and their guests. The pool opens Memorial Day weekend and closes Labor Day weekend. However, we are known to extend the closing as weather permits. Our course is in excellent condition. If you would like to improve your game, the driving range is available for \$100 a year. There is an indoor simulator our members mainly use during the colder months, but it can be utilized anytime with a scheduled tee time. Summer League will soon begin. See our Pro Shop staff for details.

If you would like to schedule a tour of our club/course, please feel free to reach out to me and one can be scheduled at your convenience. My cell phone number is: (217) 273-1679.

I look forward to meeting you.

Sincerely,

Kim Schaefer, Membership
